

A *Chili* Day in July

Chili, chili and more chili! Saturday July 7, 2007 is the Thornbury-Clarksburg Rotary Club's 23rd Annual Chili Cook-off. Taking place at the Events Plaza at Blue Mountain, this event will be filled with loads of fun, entertainment and chili!

The popular Lemon Pepper Pickerel band are back again this year to provide live entertainment all afternoon while you stroll the Village at Blue Mountain and take in the savoury aromas of spices and secret ingredients!

The fun will last all day beginning with the Cook's registration at 8:00 a.m., Cooking starts at 11:00 a.m., and for those wishing to taste the competitor's chili, the People's Choice Tasting Kits go on sale at 12:00 p.m. The People's Choice tasting begins at 2:01 p.m. and the awards are presented at 4:00 p.m.

It doesn't stop with great chili; there is a Texas Division and an Open Division. In the Texas division no beans, rice or fillers are allowed in the recipe where in the Open division, it is a more "household" taste where beans, fillers and vegetables are allowed.
