

This Saturday, August 25th bring the Family to Creemore !

The air has turned a little brisk and we have seen more days with too much wind for being out on the water. Don't fret about what to do with your guests this weekend. Creemore is celebrating its annual Copper Kettle Festival and includes something for everyone in your family. It's a one day event this **Saturday, August 25th from 11:30 a.m. to 6:00 p.m.** The Town turns itself into what an old time village fair would have been like. It starts with the closing of historic Mill Street so you can wander about without having to make sure the children won't get run over as they dart around the town! The early risers can enjoy the Farmers Market which is an every weekend affair starting at 8:00 a.m. At 11:30 a.m. the Beinn Gorm Highlanders lend their sound to the official kick-off of the Festival. There are plenty of kids activities including a Petting Zoo and Pony Rides. There is live music throughout the day and a well controlled Beer Garden or perhaps a tour of the local Creemore Brewery for the adults. The wonderful local shops has something for everyone to browse or purchase for their home. A highlight of the day is the Copper Kettle Classics featuring antique cars and trucks which is fun for all. Make sure you bring your camera to capture these old time beauties! As the day rolls to an end enjoy a family wagon ride. Admission is free so gather up your family and guests and head to Creemore this Saturday. You'll be glad you did !
